New Sermon Series: Eight Words To Pray Every Day:

**“Better a single word spoken from a heart of love
than a thousand from a heart of indifference.”
Evagrius Ponticus.**

Maybe your spiritual life is on autopilot and you're going through the motions. Perhaps you're keeping the religious treadmill spinning, but your soul is empty or tired. Or maybe you've fallen victim to the 'Too's' - Too many other obligations...too much guilt...too many changes in life; ...too many questions...too much pain...too much disappointment.

However, you're still asking: "How can I experience a life with God day by day?" What if there were eight simple words that, when prayed every day, help you genuinely connect with God?

Eight Words to Pray Every Day is a new sermon series that transforms eight ordinary words into one-word prayers. Each of these words are simple, practical and, most of all, reliable. Once we learn to use these words as prayers, we will begin to authentically connect with the living God.

If you struggle to start or keep a daily devotional life or if you need a fresh way to stay connected with the Lord while always being on the go, Eight Words to Say Every Day can change your life; and draw you closer to the Lord.

This new series will kick-off Sunday September 13th at the bridge Presbyterian church. Each week a new word will be unveiled and discussed in a pastor-led mid-week study in Warnock Hall.
